JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

The Ecological Society of America

OFFICERS FOR 1920

President	Vice-President	Secretary-Treasurer
BARRINGTON MOORE, 925 Park Avenue, New York.	GEORGE E. NICHOLS, Yale University, New Haven, Conn.	A. O. WEESE, University of New Mexico, Albuquerque, N. M.

AIMS

THE ECOLOGICAL SOCIETY OF AMERICA was founded in 1915 for the purpose of giving unity to the study of organisms in relation to environment, as a means of furthering intercourse between persons who are approaching widely different groups of organisms from closely related points of view, for the stimulation of ecological research, and to assist the development of the utilities which may be served by ecological principles.

MEMBERSHIP, DUES, AND PRIVILEGES

Membership is open to those who are interested in the advancement of ecology or its applications, and to those who are engaged in any aspect of the study of organisms in relation to environment.

Dues are \$3.00 per annum. Members are entitled to receive *ECOLOGY*, to present papers at meetings, to vote at meetings and in letter or other balloting, and are eligible as officers and as members of committees.

Non-subscribing members will be accepted for a single period of not more than three years with annual dues of \$1.00. Such members do not receive *ECOLOGY* and are not eligible for officers, but may, upon payment of \$3.00 dues, become full members.
